

Notice of Utility Application

The REGULATORY COMMISSION OF ALASKA (Commission) gives notice that on May 20, 2022, Oasis Water Provisional (Oasis) and Unified Alaskan Utilities (UAU) have filed a joint application for the transfer of Oasis Water Provisional's Certificate of Public Convenience and Necessity (Certificate) No. 6117 to UAU, holder of Certificate No. 730, in Wasilla and Chugiak, Alaska. Docket No. U-22-025 was opened to address this matter.

Oasis has two service areas located in Wasilla and Chugiak, Alaska comprised of approximately 62 and 46 homes, respectively. UAU states it is working to unify all utilities the company owns under one Certificate and one rate structure. Oasis Water Provisional is an affiliated interest of UAU, and they share common ownership. If the application is approved as filed, UAU states that there will be no impact on rates, but the customers of Oasis Water Provisional will be bound by UAU's tariff, and services will be provided by UAU.

Oasis has a Provisional Certificate which makes it exempt from economic regulation, except as provided by in AS 42.05.385 and 3 AAC 52.726. Economic regulation as defined at 3 AAC 48.820 means regulation of matters concerning a utility's rates and charges, quality of service, management practices, and customer complaints. UAU is a regulated utility.

In conjunction with the joint application, the Applicants have filed a motion for expedited consideration of the application by July 16, 2022. The Applicants filed a motion to consolidate this certificate transfer application with filed applications for Mile 8 Utilities as well as Midtown Estates Water Utility Certificates to be transferred to UAU. Interested parties may file a response to the motions with the Commission by 5:00 p.m. June 16, 2022.

The Commission has not assessed the completeness of the application or ruled on the motion for expedited consideration. The Commission will rule on the motion and determine whether the application is complete by July 15, 2022. No petitions for confidentiality were filed with the application.
